

MIDLANDS DISCOVERY TOURS

WINTER 2011/12

Ghost Walks a great success

Over the last three years Ian and Michael have walked close to 3,000 people around the haunted parts of Birmingham. Ian appeared on Channel 4's Gadget Show testing walking shoes with Jon Bentley, and Michael took an international group on a Halloween walk that included Aldis Hodge from American TV shows Leverage and Supernatural, and American Singer Songwriter Jason Manns.

In 2011 we introduced two different Ghost walks, a Graveyard walk on the 1st Friday of the month, and a City Centre walk on the 3rd Friday.

Private walks have also become very popular this year with, businesses and groups of friends getting together for a bespoke walk. We are also delighted to have been given access to Newman Brothers Coffin Fittings site, thanks to Birmingham Conservation trust for their support.
